U.S. PATENT	5,958,420
INGREDIENTS	Purified Water, Melaleuca Alternifolia, Emulsifiers and Preservatives

BurnFree solves the immediate first aid needs for all types of burns by relieving the pain, rapidly removing the heat, and cooling the burn.

BurnFree gel is viscous enough for it to remain on the burn wound and not run off, while simultaneously drawing the heat out and up into the gel. This gel is ideal for all minor burns. It is the same solution found in the burn dressings and fire/trauma blankets. The convenience of a 2 oz. squeeze bottle makes BurnFree Pain Relieving Gel portable and easy to use to treat burns.

The 2 oz. (59 ml) bottle is designed for inclusion in first aid kits, at home, and in the work place.
